

Jared Weiser
NFIB Member Benefits Program Manager
Ohio

Jared Weiser first joined NFIB in 2011 as a Legislative Assistant while finishing his bachelor's degree at The Ohio State University. He graduated Summa Cum Laude in 2012 with a double-major in political science and Spanish. During his time at NFIB, Jared has had the opportunity to meet with thousands of small-business owners from every corner of the state and learn what issues are most important to them.

Jared has lived in Ohio his entire life, growing up in the Cincinnati area. During his time at college he worked for the Ohio House of Representatives, and for Speaker John Boehner in Washington, DC. He also received the Huntington Bank Fellowship to study abroad and is fluent in Spanish.

After graduating from Ohio State, he joined Morgan Stanley to work on retirement plans, but welcomed the opportunity to return to NFIB in a full-time capacity in 2012 as member services coordinator. After almost a year at NFIB, Jared was promoted to member benefits program manager.

In this role, he is responsible for managing a portfolio of value-added programs offered to NFIB's 22,000 Ohio members. Jared also lobbies the Ohio General Assembly and state agencies on legislative and administrative matters involving health insurance, workers' compensation and unemployment compensation and oversees NFIB's Ohio political action committee (NFIB OH PAC). He is currently working towards a Master of Business Administration degree with a concentration in healthcare from Ohio University.
