

TO: MEMBERS OF THE OHIO HOUSE OF REPRESENTATIVES

- On behalf of the 22,000 members of the Ohio chapter of the National Federation of Independent Business (NFIB/Ohio), you are respectfully urged to **VOTE YES on Amended Substitute Senate Bill 9 (Huffman, M.)**.
- Senate Bill 9 will permit employers with 50 or more employees to gain access to aggregate claims data to assist in the shopping/purchasing of health insurance.
- Since 1986, our members top concern has been cost of health insurance. Any additional information that business owners have in their hands when it comes to renew and/or change plans helps provide important leverage in the negotiating process.
- Also included are important privacy protections to ensure the sensitive health information of employees is not compromised.
- NFIB/Ohio may consider the vote on Senate Bill 9 a **Key Small Business Vote** of the 133rd General Assembly.

On behalf of Ohio's small-business community, NFIB/Ohio respectfully urges you to VOTE YES on Senate Bill 9.
