

The 20% Small Business Tax Deduction and Its Big Impact on Maryland

Nine out of 10 small businesses face a massive tax hike if the 20% Small Business Deduction is allowed to expire this year.

Making the deduction permanent will benefit Maryland:¹

\$1.49 Billion
Increase in Maryland's state GDP
each year for the first 10 years

24,000
Jobs created in Maryland
each year for the first 10 years

\$3.08 Billion
Increase in Maryland's state GDP
each year after 2035

46,000
Jobs created in Maryland
each year after 2035

And the U.S. economy:¹

\$75 Billion
Increase in U.S. GDP
each year for the first 10 years

1.2 Million
Jobs created in the U.S.
each year for the first 10 years

\$150 Billion
Increase in U.S. GDP
each year after 2035

2.4 Million
Jobs created in the U.S.
each year after 2035

Leveling the Playing Field with Tax Rates in Maryland

The Small Business Tax Deduction allows small businesses to deduct up to 20% of their business income, providing relief for Maryland's small business owners.

Without action from Congress, this deduction expires this year while the tax deduction for larger corporations remains.

Small Business Economic Impact: Maryland²

Small businesses are the foundation of Maryland's economy, powering job creation and strengthening its communities.
