

The 20% Small Business Tax Deduction and Its Big Impact on **Missouri**

Nine out of 10 small businesses face a massive tax hike if the 20% Small Business Deduction is allowed to expire this year.

Making the deduction permanent will benefit Missouri:¹

\$1.12 Billion

Increase in Missouri's state GDP
each year for the first 10 years

23,000

Jobs created in Missouri
each year for the first 10 years

\$2.32 Billion

Increase in Missouri's state GDP
each year after 2035

45,000

Jobs created in Missouri
each year after 2035

And the U.S. economy:¹

\$75 Billion

Increase in U.S. GDP
each year for the first 10 years

1.2 Million

Jobs created in the U.S.
each year for the first 10 years

\$150 Billion

Increase in U.S. GDP
each year after 2035

2.4 Million

Jobs created in the U.S.
each year after 2035

Leveling the Playing Field with Tax Rates in Missouri

The Small Business Tax Deduction allows small businesses to deduct up to 20% of their business income, providing relief for Missouri's small business owners.

Without action from Congress, this deduction expires this year while the tax deduction for larger corporations remains.

Small Business Economic Impact: Missouri²

Small businesses are the foundation of Missouri's economy, powering job creation and strengthening its communities.
