# Leveling the Playing Field with Tax Rates in **New Mexico**

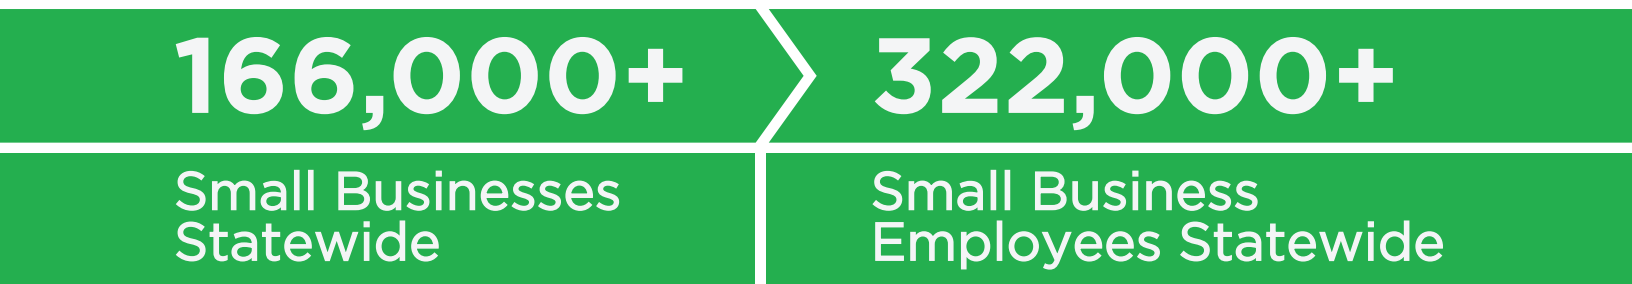

The Small Business Tax Deduction allows small businesses to deduct up to 20% of their business income, providing relief for New Mexico's small business owners.

**Without action from Congress, this deduction expires this year while the tax deduction for larger corporations remains.**

## Small Business Economic Impact: New Mexico<sup>2</sup>

Small businesses are the foundation of New Mexico's economy, powering job creation and strengthening its communities.
