

The 20% Small Business Tax Deduction and Its Big Impact on **South Dakota**

Nine out of 10 small businesses face a massive tax hike if the 20% Small Business Deduction is allowed to expire this year.

Making the deduction permanent will benefit South Dakota:¹

\$197 Million

Increase in South Dakota's state GDP
each year for the first 10 years

4,000

Jobs created in South Dakota
each year for the first 10 years

\$407 Million

Increase in South Dakota's state GDP
each year after 2035

9,000

Jobs created in South Dakota
each year after 2035

And the U.S. economy:¹

\$75 Billion

Increase in U.S. GDP
each year for the first 10 years

1.2 Million

Jobs created in the U.S.
each year for the first 10 years

\$150 Billion

Increase in U.S. GDP
each year after 2035

2.4 Million

Jobs created in the U.S.
each year after 2035

Leveling the the Playing Field with Tax Rates in **South Dakota**

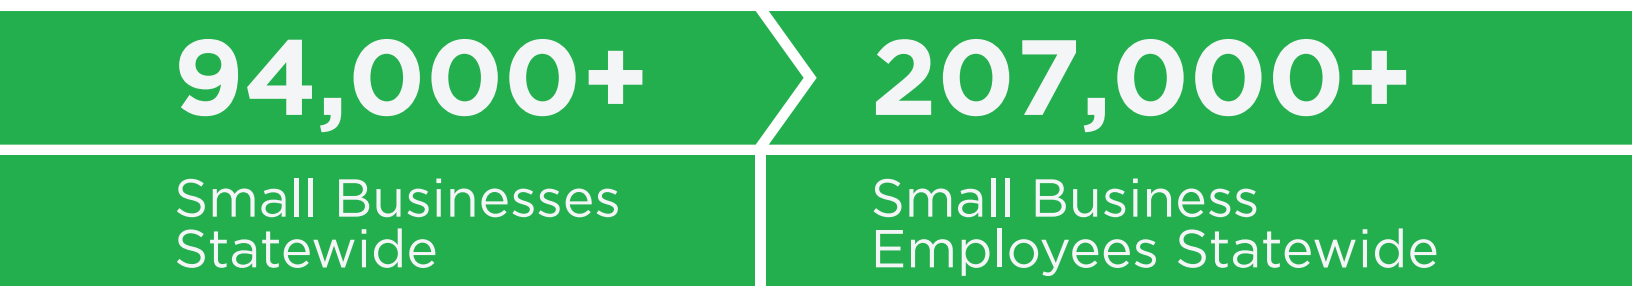

The Small Business Tax Deduction allows small businesses to deduct up to 20% of their business income, providing relief for South Dakota's small business owners.

Without action from Congress, this deduction expires this year while the tax deduction for larger corporations remains.

Small Business Economic Impact: South Dakota²

Small businesses are the foundation of South Dakota's economy, powering job creation and strengthening its communities.
